## "God please help me see the truth."

Where was I to blame, before? during? after? What did I do? (ref. p.67-\$2). • Look at the things you do to hold on to the resentment. • Look at things you do to protect yourself and how you look, I shun, I gossip, I yell. • Stay focused on what you've seen so far in Column One thru the Realization as you write.  "Where had I been"  SELF-SEEKING: Look around the whole resentment, what did I do? where was I to blame?  My selfish actions or activities were?  SELFISH: What was my selfish thinking while I was doing the above actions?  My selfish attitudes were?  DISHONEST: What were the lies I was telling myself that resulted in my selfish thinking above?  I was in the delusion that?  AFRAID: What are the fears that drive the delusions above?  I was afraid?  The above fears drive the delusions, that result in the attitude that are behind the actions.  (ref. p.62-\$1 "driven by a hundred forms of fear, self-delusion, self-seeking and self pity [my attitude])  Consider if there are any other fears that should be on the fear list. Consider the opposite of each fear, if it applies add it to the list. Example: being alone/being committed? failing/succeeding?  (ref. p.68-\$1-L1 "We put them on paper, even though we had no resentment in connection with them.")	The Realization: "How have I done the things I've resented in Column 2 to the person I've listed in Column 1 and/or others?" (ref. p.66-¶3 "This was our course: We realized that the people who wronged us were perhaps spiritually sick…like ourselves"). Skip this if Column One is not a person.
